## Chapter 1 by Nate

The Professional is a Hell spawn. Not many people know what a Hell spawn is. A Hell spawn is a once living Human Being that made a deal with A Devil (Yes I mean A devil, emphasis on "A").

This deal involved them living (I suppose) for... longer. Now with magical (Depends on your view on "magic") powers they can once again see their families and friends. In order to have these special powers, they have to be with a..... symbiote (Like the black spider-man, venom). His costume (Or what the symbiote looks like on him) looks like this,

<http://screencrush.com/cosplay-of-the-day-spawn/> (Just copy paste the link, don't worry I am not a jerk, unless the people that made the website are, just take a look). Anyway the devil that he made a deal with now "owns" him. But The Professional escaped his grasp. Afterwards he made the symbiote change what it looks like to the public eye, Now a tuxedo. Black shirt, pants, a white under top(I guess you could call it), and a Red tie(Not bow tie, a tie). He was white, black hair, and red eyes(Don't question it). After he escaped his owners grasp he decided to join the PBB.
